Service
Contract
is
your
Ace-in-the-hole.**

Extend your protection another 9 months.

Even a cardshark knows he can't always play the odds. The best home computer system will occasionally need servicing. It is a sophisticated state-of-the-art device and requires professional service from trained technicians. Don't take any chances. Protect your Intellivision™ Master Component with a GE Service Contract.*

*Service Contract excludes television set, keyboard unit, program cartridge, printer or other auxiliary equipment.

Rules of the House.

Order a General Electric Service Contract within 30 days of the purchase date and you will be eligible for 9 additional months of fast dependable service. Anytime your Intellivision™ Master Component fails during normal use within this period, you merely send it postage paid to one of our repair locations. GE technicians will not only repair it but will also check it over to minimize future difficulties.

To take advantage of this offer, mail this service contract registration with your check or money order payable to General Electric Company. Or, if you prefer, use your Visa or Master Charge account.

Just fill in the account number and the expiration date. A valid service contract certificate will be mailed to you after we receive your application.

You get these benefits with a GE Service Contract.

- Confidence in knowing a trained technician is servicing your Intellivision™ Master Component.
- Peace-of-mind from knowing that unexpected repair bills cannot upset your budget.
- Prompt service. Each repair location is equipped with on-site replacement parts.

It's a straight deal.

These locations service your Mattel INTELLiVISION™ Master Intelligent Television Component.
