\* MAKE IT AN INTELLICHRISTMAS!

Let's take a trip down memory lane. It's 1982, and you trot downstairs on Christmas morning in your Smurf PJs expecting to find that Santa has indeed deposited your new Intellivision games under the Christmas tree. But alas, no Intellivision goodies to be found! Where could they be? Hmm, let's see, socks from Grandma, some Legos, more clothes from Mom and Dad. WHERE IS IT?!? You know Mom sent the letter you carefully wrote in crayon to the North Pole, weeks ago! The fat guy in the red suit LET YOU DOWN!

Fast forward to 1999. You never quite got over the Great Santa Letdown of 1982. We know you're bitter. We know that EVERY HOLIDAY SINCE THEN YOU'VE BEEN EXPECTING TO SEE SOME INTELLIVISION SWAG! That's why we're here. Don't let one more holiday season go by without Intellivision under your tree. In fact, don't let anyone you know suffer another holiday without Intellivision! You

know how you hate to shop for the holiday - all the traffic, parking, and the crowds at the mall. Why not take the stress out of your holidays by shopping naked, in the comfort of your own home?! You can be sure that's what we're doing this year!
