

Newsletter Jan 4, 1999

Hi! You're receiving this message because at some point you wrote in to the official Intellivision / Blue Sky Rangers website.

Since the question we're asked most often is "When will the Intellivision Lives! CD-ROM be available?", we wanted to let everyone know that the answer is: "Right now!"

The CD-ROM is in stock and shipping now, exclusively through our website. Go to <http://www.intellivisionlives.com> to order or for more information.

We're also happy to announce that as of January 4 we have additional people working on answering our backlog of email, so if you've written us on a specific topic, someone will be contacting you soon.

On occasion we will make announcements about Intellivision through this mailing list. If you would like to be removed from the list, reply to this email with the word REMOVE in the subject line.

Thank you for your interest in Intellivision, and Happy New Year!
