

Greetings Amico Founders and VIPs!

I wanted to start by **thanking you** for being a part of our Amico family. It's been a crazy couple of months since we started taking pre-orders and a lot has happened in that time, from bringing on incredible partnerships to achieving key milestones. After an intense couple of weeks, the team took a quick break to make a few fun videos to make people stuck at home smile and laugh, plus raise awareness about our next major update happening August 4th.
