

Launch Release Update, Intellivision & Topps
Partnership and Breakout

Tommy and our team give a global update on the
release of the Intellivision Amico

It was announced today that the launch of the "Intellivision Amico" console is now planned for autumn 2021. In order to guarantee a successful market launch of the unique family entertainment system, this decision was inevitable due to the global pandemic and additional logistical reasons.

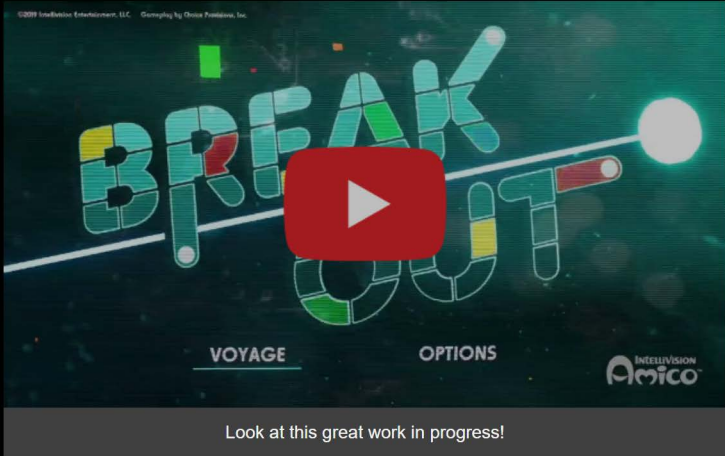

Topps Partnership and More Updates

Both Intellivision and Topps have been around the block for decades and now, we are doing business together! Here's a video from Tommy about our new partnership and other Intellivision updates.
