We are happy, proud, and honored to announce that we will be a featured part of the virtual E3 Expo in a few weeks! Right alongside the likes of Nintendo, XBOX, UbiSoft, Square-Enix, Sega, Capcom, Namco, and many more. Special thanks to the wonderful folks over at Entertainment Software Association for putting this on and having us be a part of it. We have a prime-time 10-minute segment that will be seen by a lot of people around the world. Will make sure to share more details over the next week or so as they become available. Woo-hoo!!!
