

WE'VE GOT LOTS OF EXCITING NEWS  
THAT WE ARE EAGER TO SHARE!

UPDATED INTELLIVISION FAQ PAGE

There is a library of information circulating about Intellivision and our family-friendly Amico gaming console. To ensure that everyone has the latest, and most accurate, updates about our company, team, and product, we've updated the FAQ page on our website. We encourage everyone to check it out and learn more about us. You can find the FAQ Page here:

## NEW AMICO DEEP-DIVE SERIES

Join hosts Tommy Tallarico and John Alvarado as they walk you through an in-depth review of Intellivision Tank Battle as part of our new deep-dive video series. Each video will take a comprehensive look at individual Amico titles, providing viewers with history, insight, tips and tricks about gameplay. Next up in the series is a deep-dive of Astrosmash!

## AMICO PRODUCTION HAS BEGUN!

Saving the best news for last, the entire team at Intellivision is excited to announce that we've completed our pre-production and started our formal production of Amico consoles - we are focusing on our initial launch units that will ship to our first customers as soon as possible! We hope to have more accurate shipping information by the end of the year.

Until next time!
