Intellivision is proud to announce a new campaign on the esteemed StartEngine platform. The campaign will make it possible for investors large and small (opportunities start as low as \$500) to enjoy direct ownership in Intellivision Entertainment, the company behind Amico.

The StartEngine campaign is currently open to both US and international investors. If you believe in our mission and goals and are interested in joining us, visit <https://www.startengine.com/intellivision> to learn more and participate.
