INTELLIVISION

Rekindling Your Childhood

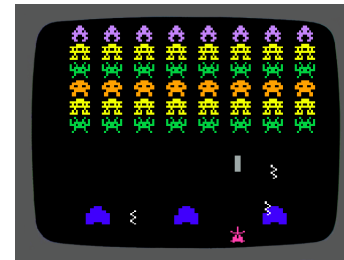

Games for the **INTELLIVISION®** video game system

ROCK 'EM SOCK 'EM SUPER PRO BOXING

(For 1 or 2 players)

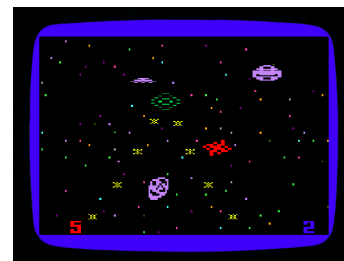

Super Pro Boxing brings you 1-player boxing! Five levels of play provide challenging matches, a strength indicator for each fighter, and many enhancements to make the game more fun.

SPACE INVADERS

(For 1 player)

The classic shooter finally comes to Intellivision in this update to Space Armada that makes the game feel just like Space Invaders. Game play options have been added, including four difficulty levels, and additional new sound effects!

BATTLESTAR GALACTICA SPACE BATTLE

(For 1 or 2 players)

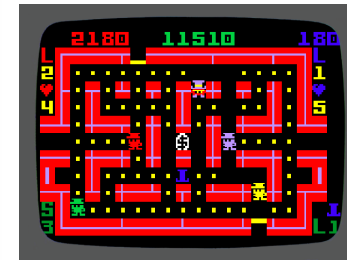

This version brings the show to life! You start with four level choices. The game progressively advances levels! Cyclons continue deploying squadrons as you wipe out each one. *Intellivoice enhanced!*

SUPER PRO BUMP 'N' JUMP

(For 1 or 2 players)

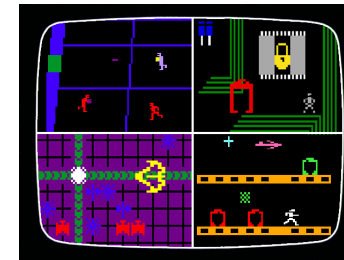

Send cars screeching off the road, but don't total your own car! Set options: random or original road order, bonus level, number of lives, and music on/off. Drive on roads you've never seen before!

LOCK 'N' CHASE REVENGE OF LUPIN

(For 1 or 2 players)

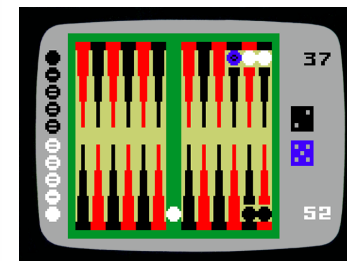

Lupin the thief is back robbing a local bank, and this time he wants revenge! Lock 'n' Chase gets the "super pro" treatment with new mazes and colors, plus multiple options to customize gameplay.

TRON ANTHOLOGY

(For 1 player)

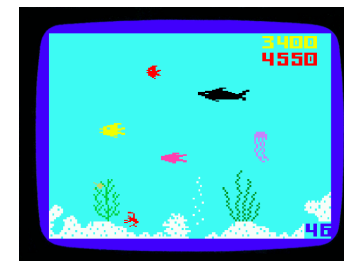

Welcome to the world of Tron. Enter a futuristic adventure spanning four enhanced and improved games: Deadly Discs, Solar Sailer, Maze-A-Tron, and Adventures of Tron. These games feature new options and levels.

SUPER PRO GAMMON

(For 1 or 2 players)

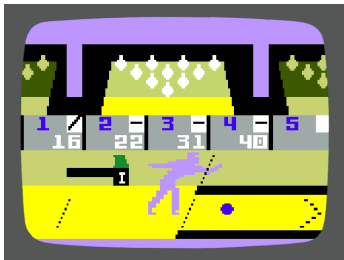

Play nine different gammon games, including hypergammon, Dutch gammon, sudden death, and more. Track how many games you win or lose. The pip count is refreshed automatically, and you can end the game whenever you like.

SHARK SHARK 2!

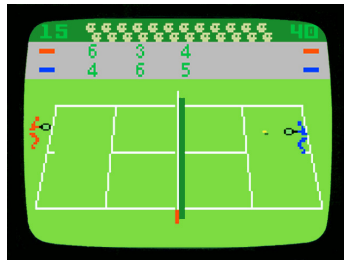

(For 1 or 2 players)

It's survival of the fittest in an ocean populated with seahorses, crabs, lobsters, jellyfish, and other fishies. And one big shark! More fun for two players! Choose the length of a game. If you're eaten before time runs out, return with a new life!

**STRIKER!
SUPER PRO BOWLING**
(For 1 or 2 players)

Plays like the original PBA Bowling but better! A left-handed bowler is now really left handed. Game play moves along quickly. Play Bowling or Pick-up Spares. Game options are shown at the end of each game.

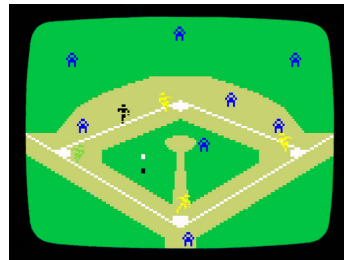

SUPER PRO TENNIS
(For 1 or 2 players)

Now you can play tennis against a challenging computer opponent. Choose from four skill levels and the number of sets to play. Even change levels during play. A new feature lets you lob the ball to catch your opponent off guard!

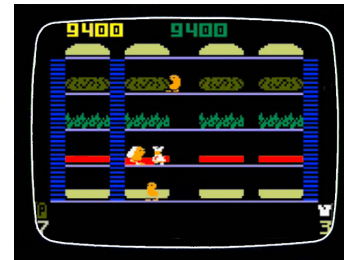

**FIGHT FOR THE CUP 2017
SUPER PRO HOCKEY**
(For 1 or 2 players)

This update speeds up the game, handles penalties properly, adds an option to select different period lengths, has remapped buttons, updated player colors, smarter AI, bug fixes, and more!

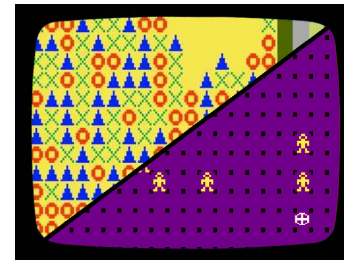

SUPER PRO BASEBALL
(For 1 or 2 players)

Taking World Championship Baseball to the next level, this update targets 1-player mode but also enhances 2-player games. Faster pitches, smarter AI, enable/disable stats, music, and now it's more difficult to hit home runs.

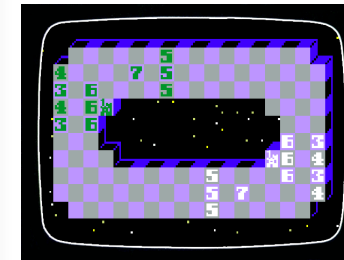

SUPER CHEF BT
(For 1 or 2 players)

They're back! The old gang is still after Chef Peter Pepper, and they're not making life any easier for him. Each challenge that you face is randomly selected from a total of 69 mazes. Includes three new bonuses and condiments!

SAME GAME & ROBOTS
(For 1 player)

In *Same Game*, connect as many shapes of one type to score higher points and clear the board. In *Robots*, move the cursor to destroy all robots on the screen using bombs or by making them collide. *Intellivoice enhanced!*

MINDSTRIKE
(For 1 or 2 players)

A futuristic, 3-dimensional space version of a chessboard game. Updated to make the computer smarter and decide moves more quickly, plus other enhancements. No keyboard needed – just use your controller!

**THE JETSONS
WAYS WITH WORDS**
(For 1 player)

Improve your spelling, reading and word recognition skills while having fun. Plays faster and includes four vocabulary levels. Level 1 has references to many Intellivision games. No keyboard needed!

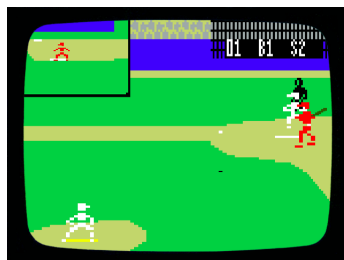

**SUPER PRO
KING OF THE MOUNTAIN**
(For 1 player)

Head up the mountain, avoiding boulders, inclement weather, and even more bears! Better controller input, 60 new screens, added music, and much more make this the best version of the game yet!

MYSTIC CASTLE
(For 1 or 2 players)

A whimsical medieval fantasy game. You're the knight in shining armor on your quest for survival. Enhanced gameplay makes your quest even more fun, with faster gameplay and two new magic objects. Choose from 4 skill levels!

**SUPER SERIES
BASEBALL**
(For 1 or 2 players)

Plays more like a game now than a simulation. Players move faster and screens change quicker (some are completely bypassed). Real player names with original statistics. No keyboard needed!

SUPER NFL FOOTBALL
(For 1 or 2 players)

So realistic you'll be checking for grass stains. This fast-paced game has penalties called and game stats displayed. Includes extra bursts of speed for offensive players. No keyboard needed – just use your controller!

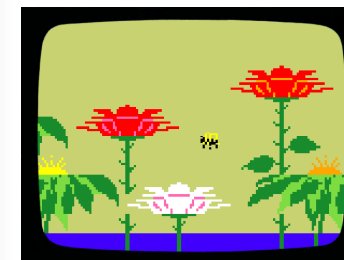

CHOPLIFTER
(For 1 or 2 players)

Get up soilder! Your helicopter just arrived, in time for you to go save your comrades. It's your mission to enter the Bungeling Empire territory and retrieve the 64 hostages from four different prison barracks, and carry them to safety.

MS. NIGHT STALKER
(For 1 player)

Your man did not ask for directions and is now trapped in a maze! It is time for Ms. Night Stalker to save him. This update features faster and more varied gameplay. The bats keep coming! Nine different mazes to choose from!

SPINA THE BEE
(For 1 player)

A bee's life is very busy. Fly here and there to get more pollen. It never ends! Brave a harsh environment that contains spiders, dragon flies, water puddles and rain drops. Succeed and return to the hive to collect your reward and rating.

**SCOOBY DOO'S
MAZE CHASE**
(For 1 or 2 players)

You're Scooby Doo chasing ghosts through a baffling maze! Avoid the evil skull and crossbones! Updated to play much faster and without needing the computer keyboard, plus other enhancements.
