### GRAIL OF THE GODS

(For 1 player)

A fearless knight seeks the legendary grail of the gods. It's hidden deep in the dungeons of an immense castle, which is inhabited by a mighty dragon.

*Programmed by Óscar Toledo Gutiérrez*

### TIME PILOT

(For 1 player)

You are a Time Pilot who must battle enemy aircraft in five different time eras, ranging from the dawn of aviation all the way into the future. Each time you time warp, the battles become more difficult.

*Programmed by Artrag*

### RAGS TO RICHES

(For 1 player)

As a down-on-your-luck city dweller, you must start down the road from rags to riches by getting a job, a place to live, and an education so you can move up in the world and escape the seedy South City.

*Programmed by Brian Pudden*

### XOR

(For 1 player)

The many faces of XOR are scattered throughout his domain. Acquiring them will enhance your knowledge, but beware: XOR controls his world and does not give up his personality easily!

*Programmed by decl*

### SUPER PIXEL BROS.

(For 1 player)

The evil turtle King is holding the Princess captive, and she awaits her rescue. Trek across the seas, climb atop mountains, and jump over bottomless pits, all while fighting the King's turtle armies.

*Programmed by Dave Akers*

### DONKEY KONG 3

(For 1 or 2 players)

Donkey Kong is on the loose in Stanley's greenhouse! Armed with his trusty bug spray, Stanley must protect the flowers by exterminating the bees – and by spraying Donkey Kong to keep him from dropping to the floor of the greenhouse.

### MELODY BLASTER II

(For 1 player)

Shoot falling notes with lasers using a musical keyboard. As your skills improve, you're learning to play songs. Melody Blaster II includes eleven new songs, including some Intellivision classics. *ECS and music synthesizer required*

### PITFALL III: RETURN TO THE CAVERNS

(For 1 player)

Before Pitfall Harry can exit the Lost Caverns, he must find four new objects and get to the final cavern. Then he can truly consider himself the world's greatest adventurer!

*Programmed by General Chaos*

### GALAXIAN

*(For 1 player)*

Your planet is under attack by the Galaxians, a race fighting to gain territory in a centuries-old interstellar war. The Galaxians attack in waves, approaching faster each time. Destroy the Galaxian fleet before it destroys you!

### GRAND PRIX

*(For 1 player)*

Buckle up, fasten your chin strap, and get ready to handle a high-powered racing machine. You'll need all the nerve, anticipation, and reflexes of a world champion race driver to master this circuit!  
*Programmed by Brian Pudden*

### PITFALL II: LOST CAVERNS

*(For 1 player)*

Pitfall Harry is searching a vast subterranean cliff dwelling high in the Andes Mountains of South America. He's bound to find more than he bargained for  
*Programmed by General Chaos*

### RAIDERS OF THE LOST ARK

*(For 1 player)*

Dust off your felt hat, throw on your leather jacket, and uncoil your whip. You're going on the greatest treasure hunt of your life in search of the Lost Ark of the Covenant.  
*Programmed by Mr. Mischief*

### FAST FOOD PLUS

*(For 1 player)*

Burgers, fries, shakes, and pizzas fly by at gastronomical speeds. You and Mighty Mouth have to catch them if you can rack up calories. But beware of the pickles! Classic and Plus versions.  
*Programmed by Brian Pudden*

### SPACE VERSUS

*(For 1 or 2 players)*

Your arch enemy, Val Cruth, is locked with you in a deadly dogfight for control of the Zeta quadrant. You're engaged in one-on-one combat, and it's a face-to-face battle to the end!  
*Programmed by Marco A. Marrero*

### TERMINAL BUGOCITY

*(For 1 or 2 players)*

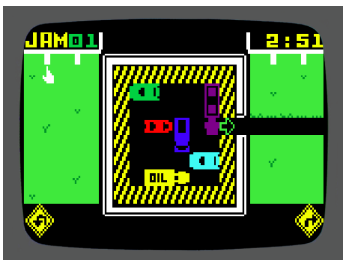

Your neighborhood is swarming with relentless bugs that are taking over the city. You've called an exterminator, but for now you're going to be on your own keeping the bugs at bay.  
*Programmed by Mark Ball*

### TRIPLE CHALLENGE 2

*(For 1 player)*

Hunt down the infamous carnivore known as the Wumpus. Get Squiddy to his destination. And help the robot find the kitten. It's three games on one exciting cartridge.  
*Programmed by Michael Hayes and Dave Akers*

### TRAFFIC JAM

*(For 1 or player)*

Traffic is gridlocked. You're completely boxed in! It will take skilled driving and some brainpower to get your red car out of this traffic jam. Move the other vehicles until you've got a clear path out.  
*Programmed by Brian Pudden*

### INTELLIVANIA

*(For 1 player)*

Step into the shadows of the deadliest dwelling on earth. You've arrived at Intellivania, and you're here to destroy forever the Curse of the Evil Count! He has waited 100 years for a rematch.  
*Programmed by Matthew Kiehl*

### E.T.

*(For 1 player)*

Help E.T. find the three hidden pieces of his interplanetary telephone so he can make his long-distance call. Then get him to the landing zone so the rescue ship can pick him and take him home.  
*Programmed by Kaptain Kontra*

### SPACE TAXI

*(For 1 player)*

Flying a space taxi in a 23rd century city isn't an easy job. The money can be good, but the customers don't tip well when they think your driving isn't as good as it should be, and the hazards are everywhere.  
*Programmed by Brian Pudden*

### MERMAID

*(For 1 player)*

An unexpected storm has hit Poseidon and Amphitrite's castle and scattered the Kingdom's most valuable contents across the Sea. You must help the mermaid retrieve the treasures.  
*Programmed by Derek Bain*

### WHALE HUNT

*(For 1 player)*

Whaling has been in your family bloodline for generations. With the wind in your sails and a harpoon in your hand, you must harvest enough whales to fuel development of the New World.  
*Programmed by Robert Hannan*

### A BETTER MOUSETRAP

*(For 1 or 2 players)*

Lead the mouse through a maze of alleys, gobbling up cheese while avoiding the alleycats roaming nearby. Open and close doors and grab the bones to gain an advantage as you go.  
*Programmed by Michael Hayes*

### AIR RAID

*(For 1 or 2 players)*

Without warning, the calm morning sky is filled with enemy bombers. Skyscrapers are reduced to rubble. Fire fast and furiously to protect the doomed city. How long can you withstand the deadly assault?  
*Programmed by Don Switzer*
