Games for the **INTELLIVISION®** video game system

TRON LEGACY

(For 1 or 2 players)

You've been forced onto the game grid by the evil CLU where you're pursued by four Recognizers in an endless runner-style game. Your only defense is to lure them into the surrounding grid walls.
Programmed by Blaine Locklair

PACMANTHOLOGY

(For 1 or 2 players)

This collection of Pac-Man games lets you revisit some of your old favorites and also introduces you to some new classics. Included are Pac-Man, Ms. Pac-Man, Ms. Pacu-Pacu, Pac-Line, Jr. Pac-Line, and Pac-Man DX.

EGGERLAND MYSTERY

(For 1 player)

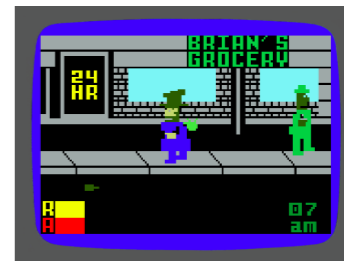

Egger, the King of Darkness, has trapped Lolo in his haunted Castle of the Labyrinth. Lolo must collect precious jewels and solve a seemingly endless series of puzzle mazes in order to escape. Now the battle of wits begins. Good luck!

DONKEY KONG 3

(For 1 or 2 players)

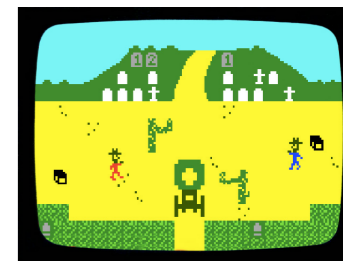

Donkey Kong is on the loose in Stanley's greenhouse! Armed with his trusty bug spray, Stanley must protect the flowers by exterminating the bees – and by spraying Donkey Kong to keep him from dropping to the floor of the greenhouse.

RAGS TO RICHES

(For 1 player)

As a down-on-your-luck city dweller, you must start down the road from rags to riches by getting a job, a place to live, and an education so you can move up in the world and escape the seedy South City.
Programmed by Brian Pudden

GUN FIGHT

(For 1 or 2 players)

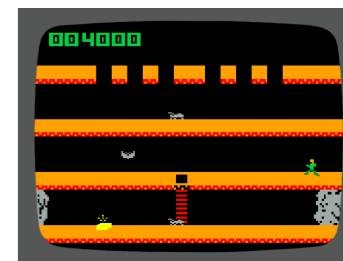

It's an old west shootout between two dangerous gunslingers, Duke and Hank. Who's quicker on the draw? Don't waste shots or you'll have to take time to reload. How's your aim, pardner?
Programmed by Brian Pudden

PRINCESS LYDIE

(For 1 or 2 players)

Princess Lydie's kingdom is being ravaged by hordes of monsters. Head to the cavernous depths and defeat them before they take over the entire kingdom. Your people are depending on you!
Programmed by Marco A. Marrero

PITFALL III: RETURN TO THE CAVERNS

(For 1 player)

Before Pitfall Harry can exit the Lost Caverns, he must find four new objects and get to the final cavern. Then he can truly consider himself the world's greatest adventurer!
Programmed by General Chaos

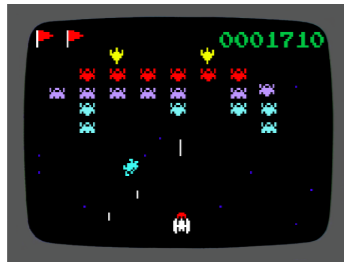

GRAIL OF THE GODS

(For 1 player)

A fearless knight seeks the legendary grail of the gods. It's hidden deep in the dungeons of an immense castle, which is inhabited by a mighty dragon.

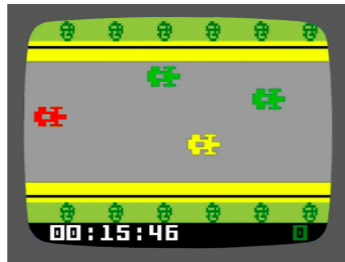

Programmed by Óscar Toledo Gutiérrez

GALAXIAN

(For 1 player)

Your planet is under attack by the Galaxians, a race fighting to gain territory in a centuries-old interstellar war. The Galaxians attack in waves, approaching faster each time. Destroy the Galaxian fleet before it destroys you!

GRAND PRIX

(For 1 player)

Buckle up, fasten your chin strap, and get ready to handle a high-powered racing machine. You'll need all the nerve, anticipation, and reflexes of a world champion race driver to master this circuit!

Programmed by Brian Pudden

PITFALL II: LOST CAVERNS

(For 1 player)

Pitfall Harry is searching a vast subterranean cliff dwelling high in the Andes Mountains of South America. He's bound to find more than he bargained for

Programmed by General Chaos

TIME PILOT

(For 1 player)

You are a Time Pilot who must battle enemy aircraft in five different time eras, ranging from the dawn of aviation all the way into the future. Each time you time warp, the battles become more difficult.

Programmed by Artrag

FAST FOOD PLUS

(For 1 player)

Burgers, fries, shakes, and pizzas fly by at gastronomical speeds. You and Mighty Mouth have to catch them if you can rack up calories. But beware of the pickles! Classic and Plus versions.

Programmed by Brian Pudden

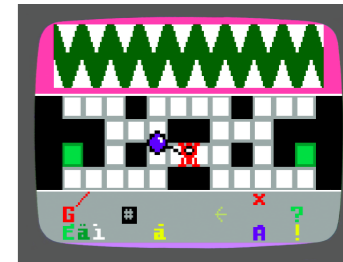

SPACE VERSUS

(For 1 or 2 players)

Your arch enemy, Val Cruth, is locked with you in a deadly dogfight for control of the Zeta quadrant. You're engaged in one-on-one combat, and it's a face-to-face battle to the end!

Programmed by Marco A. Marrero

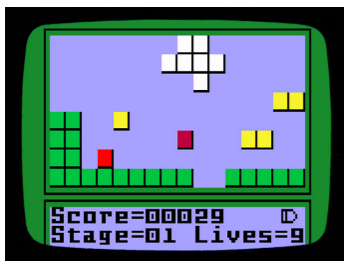

TRIPLE CHALLENGE 2

(For 1 player)

Hunt down the infamous carnivore known as the Wumpus. Get Squiddy to his destination. And help the robot find the kitten. It's three games on one exciting cartridge.

Programmed by Michael Hayes and Dave Akers

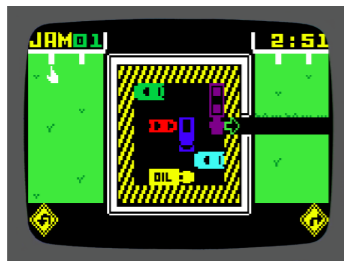

SUPER PIXEL BROS.

(For 1 player)

The evil turtle King is holding the Princess captive, and she awaits her rescue. Trek across the seas, climb atop mountains, and jump over bottomless pits, all while fighting the King's turtle armies.

Programmed by Dave Akers

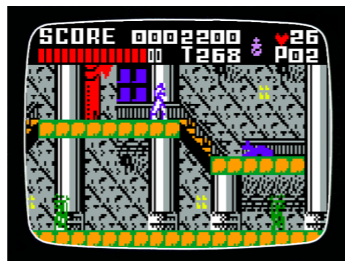

TRAFFIC JAM

(For 1 or player)

Traffic is gridlocked. You're completely boxed in! It will take skilled driving and some brainpower to get your red car out of this traffic jam. Move the other vehicles until you've got a clear path out.

Programmed by Brian Pudden

INTELLIVANIA

(For 1 player)

Step into the shadows of the deadliest dwelling on earth. You've arrived at Intellivania, and you're here to destroy forever the Curse of the Evil Count! He has waited 100 years for a rematch.

Programmed by Matthew Kiehl

E.T.

(For 1 player)

Help E.T. find the three hidden pieces of his interplanetary telephone so he can make his long-distance call. Then get him to the landing zone so the rescue ship can pick him and take him home.

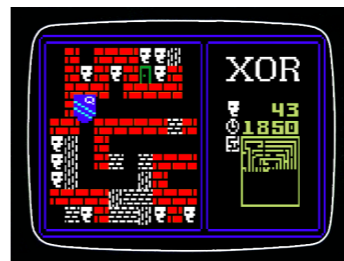

Programmed by Kaptain Kontra

MELODY BLASTER II

(For 1 player)

Shoot falling notes with lasers using a musical keyboard. As your skills improve, you're learning to play songs. Melody Blaster II includes eleven new songs, including some Intellivision classics. *ECS and music synthesizer required*

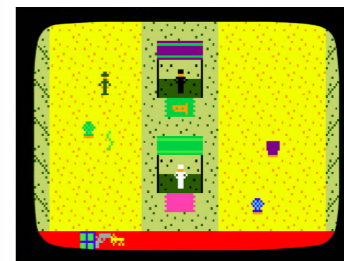

XOR

(For 1 player)

The many faces of XOR are scattered throughout his domain. Acquiring them will enhance your knowledge, but beware: XOR controls his world and does not give up his personality easily!

Programmed by decl

RAIDERS OF THE LOST ARK

(For 1 player)

Dust off your felt hat, throw on your leather jacket, and uncoil your whip. You're going on the greatest treasure hunt of your life in search of the Lost Ark of the Covenant.

Programmed by Mr. Mischief

SPACE TAXI

(For 1 player)

Flying a space taxi in a 23rd century city isn't an easy job. The money can be good, but the customers don't tip well when they think your driving isn't as good as it should be, and the hazards are everywhere.

Programmed by Brian Pudden
