Amico™

Play a demo of the exclusive **MOON PATROL: THE MILKY WAY CHRONICLES!**

This month, the logo animation is followed by a demo of one of our exclusive launch titles...**Moon Patrol: The Milky Way Chronicles**. Enjoy this taste of a legendary game that has all the elements of the 80s favorite totally re-imagined for 2020!

What's the highest score you can get? Let us know on social media!

PLEASE NOTE: This interactive demo of Moon Patrol is a short, unfinished slice of a level. We put this together as a fun way to see a little bit of what we have in store. The graphics and effects are NOT final and the control overlays on the screen are merely there for the mobile demo. Hope you have fun!
