Breakout

Last time we showed you our Breakout gameplay video, now hear what the public has to say!

"I'm excited to see this game"... "This game is really cool!"... "The more I see of Amico, the more I tend to get one!"... "It looks incredible!"

As seen at GameStop!

Customers and Fans from all over have been sending images from their local GameStop showing the Amico! GameStop has the exclusive "Galaxy Purple".

The Intellivision Amico: A Gamechanger in the Video Game Industry

A great article about the Amico over at [Hubpages!](#)

Gaming has largely become a solitary experience and gone are the days when family and friends came over and played video games on a widescreen tv.

A lot of multiplayer experiences are often online and this is simply just not the same experiences. You cannot feel the euphoria of your brother beating the final boss or the frustration of your dad when he cannot get through a hurdle.

Gaming used to be a family experience and Intellivision is bringing this back.
