This package contains one FRANKENSTEIN'S MONSTER cartridge, two controller overlays, and playing instructions.

FRANKENSTEIN'S MONSTER cartridge.

It's Alive! The notorious mad scientist Dr. Victor Frankenstein has reached the successful culmination of his ghastly experiments with rotting corpses, pasting together a monstrous creation. He used his scientific knowledge to reanimate the creature, bringing it to life by harnessing the power of a raging electrical storm. Now he is preparing to unleash this undead ghoul upon the world, and only you can stop him! Enter his castle and avoid nasty critters as you gather bricks to entomb the creature in time to save us all.

Search the castle to gather bricks to entomb the Monster!

Fight your way through an army of bats to reach the Monster!

- For one player.
- Select between two different playable characters.
- Watch out for bats, spiders, and other nasty critters.
- Five epic boss battles that will challenge your skills.
- Password system to restart at any level previously beaten.
