IntellivisionRevolution 2021 and BEYOND!

Many thanks to all for the continued support over the years. Here is an update for the remainder of 2021 and on into 2022.

1. More copies of Intellivania, Ni Felter, Unlucky pony's Adventures, and Frankenstein's Monster will make it out, but in early 2022. Anyone wanting a copy will NOT miss out.
2. No new titles will release in 2021. Materials and designs will be acquired and designed during this time.
3. 2022 will see many new releases, some new titles never previously announced, be prepared!
4. Some new releases may see a DIGITAL ROM release prior to boxed version.
5. The "IntellivisionRevolution" branding and fonts used will be revamped and no longer use the original 70's fonts. (disclosure: legal reasons) But We feel the new font fits in nicely with the original Mattel style designs.
6. Phone Home
