NEWS & UPDATES

Unboxing Video and New Game Content

I mentioned in a previous update that we are in negotiations with potential investors/acquirers. During this process, we continue to push forward with Amico. Today, I'm pleased to show some of that progress. I hope you enjoy this "Unboxing" video of John Alvarado and friends revealing Amico's finished packaging and highlighting some unique features of Amico controllers and games.

Thank you for your continued support.
