IntellivisionRevolution store update. More copies of 'CIB' Frankenstein's Monster are still available, if a sellout occurs, more copies will be available this year. All recent titles will continue to be available into 2023 as more supplies come in, anyone wanting a certain game will not miss out, More Unlucky Pony's Adventures and Intellivania and others will be back soon.

Pricing. We are doing our best to keep the prices for new games as low as possible during these times, but inflation affects all aspects of the supply chains, much thanks for the support, and lets keep the Mattel Intellivision alive!

Orders. Recent games sold are taking just a little longer to get shipped out, we are caught up to the beginning of July 2022. All circuit boards are IN HAND, shipping is on track for the next week or two, look for shipping (Paypal) notices very soon!

New games. The next IntellivisionRevolution game releases will debut at the Portland Retro Gaming Expo (PRGE) in October 2022 in Portland Oregon. 5 new titles are anticipated to be revealed and debut at the convention.
