ABOUT INTELLIVISION REVOLUTION

"IntellivisionRevolution" works with great programmers, designers, hardware guys, and printers. Aside from that amazing team, all assembly, folding, glueing, shipping, boxing, store, website, etc is a one-man operation. Shipping time sometimes is quick and others not, take this into consideration before ordering. All games ship to everyone, if anyone ever has an issue, or a game is sold out, or lost, I typically resend or refund with no questions asked. Any issues contact via the STORE, I will reply the best I can, no one will ever be ripped off by me. Again thanks for all the support over the years and keeping our favorite system alive!
